

A little Change we'd like to share with you

From 1st March 2026, we won't be able to welcome dogs inside our coffee shop area.

Over time, our team has experienced an increasing number of hygiene-related, doggy accidents in the coffee shop and nearby areas, making it very difficult to maintain the high standards of cleanliness required.

This has been a thoughtful decision following a **review of our food hygiene and safety procedures**, and is necessary for us to ensure a **clean, safe and comfortable space** for everyone.

We know this may be **disappointing for our lovely dog-owning customers**, and we truly appreciate your understanding. **This change isn't a reflection on dogs or their owners, it's simply about caring for the wellbeing of all our guests and our team.**

Assistance and guide dogs are always very welcome.

Dogs are still very welcome throughout the garden centre

Thank you for your kindness, understanding and continued support.

Please speak to a member of our team if you have any questions at all – we are always happy to help.
